

PUBLISHING SERVICES SCHEDULE OF RATES

Discounts will be considered for large quantities of work.

Software: Adobe Creative Suite 5.5

January 1, 2012

TYPESETTING

Base Charge Per Page

Trim Size

- Up to and including 6 x 9 \$3.00 per page
- Above 6 x 9 \$4.00 per page

ADDITIONAL ELEMENTS

(Artwork, tables, charts, graphs, forms or any element that is unique or set differently than regular text elements.)

Camera-ready art (Any element that can be placed in the text, as is, without alteration.)

No additional charge.

Elements that require alteration or typesetting that are unique or different from regular text elements.

\$5.00 to \$20.00 per page depending on complexity.

Special pricing will be considered for numerous, repetitive elements.

CORRECTIONS AND ALTERATIONS AFTER THE 1ST PROOF

After the 1st draft, corrections will be charged for as follows:

Major reformatting or alterations will be charged for using the guidelines above.

Minor corrections will be charged for as follows:

- \$1.00 per line or \$3.00 per page, whichever is the lower amount.
\$3.00 is the maximum charge per page for each round of corrections.
Includes all corrections within a line of text.
If a replacement phrase extends to a second line of text, and is less than one-half the line length, only one line will be charged for. If a replacement phrase is two full lines of text or extends to a third line, each line will be charged for up to the \$3.00 maximum charge.
- Replacement text that extends beyond 3 lines of text should be typed and submitted as a Word Document.

Typesetting errors will not be charged for.

- Loose or tight lines
- Bad breaks
- Missed formatting or corrections

DESIGN

- \$600 per original design
- \$200 per original design if we also typeset the book
- \$200 per book for existing design modifications
(For modification of existing designs please provide font names and font sizes.)
